- Inclusion support
- Executive coaching
- Ensuring quality education for diverse populations

Experience:

- Director of General Studies/Principal
- Consultant/Coach
- 5-12 Social Studies Teacher
- Guidance Counselor

Collin says:

By being an action oriented leader, I seek out ways to engage teachers in the mission of the school by partnering with them to find out where they need the support most. Keeping today's youth focused and inspired is the continuous challenge. Retention of high quality teachers can ensure this focus and challenge. This is my strength and passion.

I can give no better compliment than to say that Collin is a servant to everyone in a school building.

~Jack M.
Teacher-St. Thomas
Academy

Collin was able to quickly form positive relationships and rapport with our students.

~ Rachel N.
Team Lead-HGA

Mr. Katainen's innovative approach results in a more engaging and more exciting learning experience.

~ Rabbi Shlomo Kutoff
Dean of Students
