

Erin Healy Rath

Specialty Areas:

- Experience with team leadership through teacher and administrator development.
- Fostering employee and student engagement.
- Advancing student outcomes through digital instructional design, curriculum alignment, and data and assessment.
- Growing teachers through instructional coaching.
- Increasing effectiveness of school principals through executive coaching.

Experience:

- Principal
- Director of Learning
- Dean of Curriculum and Instruction
- Instructional Designer

Erin says:

As I coach, my goal is to support teachers in reflecting on their instructional choices and practices, so they can be more confident, effective, and connected to their "why" as an educator. I am energized when partnering with school leaders to imagine their vision and co-create the culture and systems of adult and student learning to make that vision a reality.

Fun Fact:

While I had a short-lived football career as the only girl on my middle school team, my football activities now are limited to being an avid Green Bay Packer fan.

In my free time, I love spending time with my family, especially enjoying the outdoors together and traveling to visit our family in other states.

I love to read, and I continue my lifelong battle of balancing a good night's sleep with the need to finish one more chapter.
