

# Greta Schramm

*Masters in Education*

## Specialty Areas:

- Social Emotional Learning Specialist
- 30+ year Veteran Public School Elementary teacher, grades 1-6
- Written curriculum that integrates Wellness practices, literacy, and a variety of physical and brain challenge type games
- Yoga Calm for kids certified
- Student-centered instructional strategies
- Teacher Wellness is a Top Priority

## Experience and Education:

- 12+ trips to Ukraine to work with children and mentor teachers
- M.S. in Education from Winona State University
- B.S. in Elementary Education from Bethel University

## Fun Fact:

I am an equestrian and have shown Quarter Horses in every decade of my life in many different western events, but my favorite event is called reining.

*Mrs. Schramm has helped us learn about our brains. We know how to figure out the size of our problems and how handle our big emotions so we can learn again.*

*~ 4th grade Student*

*Greta was a wonderful presence at the conference and I came away from her sessions feeling relaxed and inspired. Thank you!*

*~ SENIA International conference participant*
