- Specialized behavior program teacher for K-5 special education students, implementing targeted interventions for students with EBD, ODD, Autism, and other disabilities
- Educational researcher with a focus on integrating positive behavior supports at the Tier 1 level, including PBIS implementation
- Over 25 peer-reviewed presentations on behavior support strategies and evidence-based practices in educational settings
- Experienced coach supporting school-based coaches to improve teacher practice, both virtually and in-person

Philosophy of Consulting

My goal is to empower educators with the tools and strategies they need to create supportive learning environments where all students can thrive. By adapting classroom environments to meet individual needs, we can unlock each child's potential.

Favorite Quote:

“When a flower doesn't bloom, you fix the environment in which it grows, not the flower.”
— Alexander Den Heijer

Additional Information:

- In my free time, you'll likely find me exploring a national park or hiking a new trail. Backpacking the Grand Canyon has been one of my most memorable adventures.
- At home, my fiancé and I stay busy with our two energetic lab mixes, Bo and Sam.
